

Android Developer - Romania

About Paradox

Founded in 1989, we are a privately-owned, multinational manufacturer delivering advanced security solutions to residential, industrial and government customers world-wide, via our ecosystem of exclusive distributors. Our award-winning research and development teams, in Canada and Israel, develop a full range of innovative security panels, motion detectors, interactive touch screens and security accessories which leverage ground breaking technologies. Paradox is proud of our state-of-the-art, ISO 9001:2008 certified, Canadian manufacturing facility which produces top-notch, dependable products.

At Paradox, the workplace is one of innovation, pride and excellence. We are always looking for top-notch, talented people to join our team and take advantage of the many career opportunities available in our dynamic company.

We are looking for an Android developer to join our global R&D team. The individual will be part of a team that develops Android applications for both current and future security products.

This position includes the following tasks:

- Design and build advanced applications for the Android platform;
- Collaborate with cross-functional teams to define, design, and ship new features.

Requirements:

- Proven software development experience;
- 3+ years of experience developing for Android;
- 3+ years of coding experience in OO languages (Java, C# etc.);
- Strong understanding of OOP concepts and design;
- Experience using web services (e.g. REST/SOAP);
- Experience using WebSocket;
- Knowledge of design patterns for Android- big advantage;
- Familiar with Android SDK: UI, Activities lifecycle, GCM, Shared Preferences & SQLite, multi-threading programming and other framework elements;
- Experience building mobile applications for iOS- a plus;
- Experience with mobile web technologies (JS, HTML, CSS);
- Up to date with latest Android technologies;
- Advantage: familiar with security products;
- Team player – good personal skills and human relations;
- Responsible, reliable, self-managed;
- Open minded, creative, self-learner;
- Hardworking, dedicated.
