

IT Systems Administrator

Paradox Security Systems is an electronics designer and manufacturer in the alarm security industry that for 30 years produced innovative and industry-leading products. We are looking to grow our team in Canada to work on our next-generation of products.

Experience you have:

- Strong knowledge of Linux and Windows Server 2003, 2008 and 2012, Windows XP and 7.
- Strong knowledge of virtualization systems Vmware and Vsphere.
- Strong knowledge of Firewall and infrastructure development (VLAN, Routage, DHCP, DNS).
- Good knowledge in script PowerShell language.
- Good knowledge in messaging systems Office365 and Exchange.
- Experience in an Active Directory environment.
- Experience with backup software Veeam.
- Knowledge of Networks and its equipment (Cisco routers, informatic cabling, TCP/IP protocols).
- Knowledge of issue tracking software (JIRA, Confluence, etc.).
- Experience with Citrix and Xenapp.
- Knowledge of security standards PCI DSS is a plus.
- Experience with ERP and CRM software packages is a plus.
- Analytic capacities and marked aptitude for problem solving.
- Ability to manage priorities and work under pressure.
- Available on call.
- Minimum 5 years of experience in networking.
- Bachelor's degree in Computer Science or Information Systems or equivalent experience.

What you will do:

- Manage and maintain network and equipment servers.
- Advise, develop and ensure follow-ups on IT project implementing.
- Support users on software and ensure licenses follow-up.
- Supervise IT support to users and provide help into solving problems related to systems and software.
- Collaborate on different projects in relation to network and systems.
- Ensure optimal performance of the equipment and software and recommend solutions.
- Ensure good operating, availability and reliability of the systems (LAN/WAN technologies, Firewall, VPN, Wireless, Load balancer, telephony, etc.).
- Write reports, manual and other documents required in his field of knowledge.

What you can expect:

- Competitive salary, bonus, benefits (group insurance and RRSP contribution program).
- Modern, comfortable and clean work environment.
- Flexible schedules.
- Free parking, greater Montreal area, reverse of traffic and accessible by public network.
- Great opportunities for career growth.
- See the products come to life in our manufacturing facilities.
