

## IT Technician - Romania

---

### About Paradox

*Founded in 1989, we are a privately-owned, multinational manufacturer delivering advanced security solutions to residential, industrial and government customers world-wide, via our ecosystem of exclusive distributors. Our award-winning research and development teams, in Canada and Israel, develop a full range of innovative security panels, motion detectors, interactive touch screens and security accessories which leverage ground breaking technologies. Paradox is proud of our state-of-the-art, ISO 9001:2008 certified, Canadian manufacturing facility which produces top-notch, dependable products.*

*At Paradox, the workplace is one of innovation, pride and excellence. We are always looking for top-notch, talented people to join our team and take advantage of the many career opportunities available in our dynamic company.*

---

We are currently seeking an IT Technician to be part of our team in Romania. The incumbent will report to the IT Manager and the local Site Manager. He/She will be responsible for installing and maintaining IT hardware, software and networks equipment.

### This position includes the following tasks:

- Install and configure Windows, Linux and IoT machines;
- Install and configure appropriate softwares and functions according to specifications;
- Maintain current and accurate inventory of technology hardware, software and resources;
- Cabling networks and configure network switch/routers;
- Manage users accounts in Active Directory and Office 365;
- High level debugging of systems;
- Providing support to users and solving network and system issues;
- Manage different IT contracts.

### Requirements:

- Bachelor's degree in Computer Science or Electrical Engineering;
- Experience in networking systems (VLAN, DHCP, WIFI, DNS);
- Experience in network design and implementation;
- Proven experience in systems architecture of multi-disciplinary communication product;
- Experience with security or IoT systems (an asset);
- Ability to work independently and autodidact;
- Excellent communication skills.
