

UI/UX Designer - Romania

About Paradox

Founded in 1989, we are a privately-owned, multinational manufacturer delivering advanced security solutions to residential, industrial and government customers world-wide, via our ecosystem of exclusive distributors. Our award-winning research and development teams, in Canada and Israel, develop a full range of innovative security panels, motion detectors, interactive touch screens and security accessories which leverage ground breaking technologies. Paradox is proud of our state-of-the-art, ISO 9001:2008 certified, Canadian manufacturing facility which produces top-notch, dependable products.

At Paradox, the workplace is one of innovation, pride and excellence. We are always looking for top-notch, talented people to join our team and take advantage of the many career opportunities available in our dynamic company.

We are looking for a talented UI/UX Designer to join our team and create user interfaces for the products in our portfolio and offer improvement ideas. The ideal candidate should have an eye for clean and artful design, possess superior UI skills and be able to translate high-level requirements into wireframes, prototypes and transform them into beautiful, intuitive and functional user interfaces.

This position includes the following tasks:

- Translate concepts into designs that illustrate simplicity despite system complexity;
- Create user flows, low and high-fidelity prototypes;
- Apply and communicate solid rationale as a part of your creative process;
- Execute to the highest standards at all times;
- Work closely with development teams to ensure that design specifications are implemented.

Requirements:

- Proven experience in UI/UX Design;
- 3+ years of user interface design experience on web and mobile applications;
- Excellent knowledge of Adobe Creative Cloud (XD, Photoshop, Illustrator);
- Understanding of Human Interface Guidelines and Material Design Guidelines;
- Good communication skills.
